

Suing Santa

Once upon a time, there was a lawyer named Bob RIGHT. His son's name was Bill RIGHT, and together, father and son started their own law firm named RIGHT, RIGHT, & Associates.

RIGHT, RIGHT & Associates was famous for lawsuits that LEFT people penniless. They LEFT the Easter Bunny penniless when they sued him for the rancid eggs he LEFT in a child's basket. They LEFT the Tooth Fairy penniless when they sued her for the insufficient compensation she LEFT under a child's pillow.

But the biggest target of all was still LEFT – Santa Claus. He, too, would be LEFT penniless... if everything went RIGHT.

The father and son team found just the RIGHT client in an 8-year-old girl named (appropriately enough) Sue. Little Sue was upset that Santa had LEFT coal in her stocking last Christmas. RIGHT, RIGHT, & Associates argued that their client had been put on the naughty list without cause. They presented lots of evidence that the girl did everything RIGHT the previous year.

The only thing LEFT was for Santa to testify. Jingling all the way, he marched RIGHT up to the witness stand, raised his RIGHT hand, and swore to tell the truth. Santa said that while it might appear that little Sue had done everything RIGHT, there was one thing she did that LEFT him no choice but to put the girl on the naughty list.

“This can't be RIGHT!” protested Bob RIGHT.

“We LEFT no stone unturned in our investigation!” said Bill RIGHT.

All this courtroom drama LEFT Sue shaking with excitement. “All RIGHT, I confess! On Christmas Eve, I got up in the middle of the night and ate the cookies that were LEFT for Santa! I didn’t think there was enough time LEFT to be put on the naughty list!”

Santa responded RIGHT away: “Ho ho ho! Little Sue, I keep the naughty list in my LEFT pocket at all times so I can make revisions on the fly!”

And with that, the law firm of RIGHT, RIGHT, & Associates was LEFT with no choice but to drop its frivolous lawsuit against Santa. And that year, neither Bob RIGHT nor Bill RIGHT was surprised to find that Santa had LEFT them coal in their stockings. But little Sue was shocked to wake up on Christmas morning to find that Santa had forgiven her for the frivolous lawsuit and LEFT her a nice, shiny present RIGHT under the Christmas tree.

“I’m glad Santa LEFT the naughty list in his LEFT pocket this time!” said Sue. “Now let’s see what he LEFT me!”
